

Dog Detective

By Teresa Lewin
and

A **doGGone crazy!**[™] Book

The purpose of this book is to help children learn to speak dog and to pet only happy dogs.

The symbol **X** on a page in this book indicates that a dog with this expression does not want to be petted or played with - even their own dog!

Did you know....

half of all children are bitten by a dog by the time they are 12 years old

most dog bites to children occur at home or at a friend's house

most bites to young children are on the face from hugging the dog

many people do not supervise dog/child interactions

even nice dogs may bite if provoked

Look for these clues...

Happy, panting

Half-moon eye

Licking chops

Mouth closed

Yawning

Tail up in the air

X

Leave me alone.

I am happy.

X

What's that you say?

X

X

I am frustrated.

X

I will not share.

Teach your kids to **Be a Tree** so a dog will go away if any dog is too frisky, is bothering or scaring them.
