

Dog Detective - Part 2

Flashcards

By Teresa Lewin and Joan Orr

A **doGGone crazy!**[™] Book

The purpose of this book is to help children learn to speak dog and to pet only happy dogs.

The symbol **X** on a page in this book indicates that a dog with this expression does not want to be petted or played with - even their own dog!

Look for clues in each picture to decide if the dog is safe or dangerous. Turn the page for the answers.

Did you know....

half of all children are bitten by a dog by the time they are 12 years old

most dog bites to children occur at home or at a friend's house

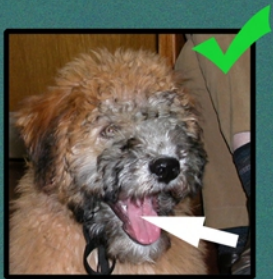

most bites to young children are on the face from hugging the dog

even nice dogs may bite if provoked

Look for these clues...

Teach your kids to **Be a Tree** so a dog will go away if any dog is too frisky, is bothering or scaring them.
